**BIO:**

I am an LCSW-R with 15 years of experience private practice. My specialty is trauma. I am EMDRIA certified. I utilize EMDR (Eye Movements Desensitization Reprocessing) and IFS (Internal Family Systems, otherwise known as 'Parts Work') which, are extremely effective in relieving symptoms of PTSD, Depression, Anxiety Disorders, relationship problems as well as headaches. I work with clients suffering from all types of trauma including sexual abuse, as well as addiction and codependency issues. These two modalities work well used simultaneously and/or interactively.

***I am beginning training toward an EMDRIA Certified Consultant. As part of my training, I am required to provide supervision for EMDR trainees who are working toward their EMDRIA certification.***

I received my MSW from Adelphi University School of Social Work in 1996. I worked for several years at the Bleuler Psychotherapy Center in Forest Hills, NY as a therapist and also in various community social service agencies including Forestdale (foster care and adoption) as a Team Leader, Elmhurst Hospital (adult, adolescent and child psychiatric wards), Comprehensive Network (Early Intervention, Supervisor), Yeled V'Yalda as an Evaluator, Dor Yeshorim (Center for Jewish Genetic Diseases) as Director of Community Services and Lev Lalev (orphanage in Israel) as Director of Development.

I have been in private practice for 15 years; the last four years full time private practice; prior 11 years, part time private practice.

**I have received the following Trainings and Certifications:**

- EMDRIA Certification (<http://www.emdria.org/members/?id=28483666>) which is designation by the Internationally recognized EMDR training and accreditation body. This accreditation requires successful completion of Level I and Level II EMDR training, 20+ hours of EMDR supervision, 50+ hours of client EMDR work and continuing education CEU's. 2013-2014
