Education:

Rabbinic Ordination, 2012 Yeshivas Pirchei Shoshana
Masters in Social Work, 1977 Syracuse University School of Social Work
BA in Social Services, 1975 Syracuse University

Professional Work Experience:

Private Practice of Psychotherapy & Hypnotherapy Baltimore, Maryland
Extensive experience with clients with anxiety and stress disorders, depression, and relationship conflicts. Specialized approaches to pain control, fear of flying, anger management, smoking cessation, addiction recovery, mind/body conflicts, peaceful eating, surgery support coaching and trauma resolution. 1988-present. Full time since 1995.

Maryland Institute for Ericksonian Hypnosis & Psychotherapy; Baltimore, MD
Founder and Director of the Md. affiliate of the Milton Erickson Foundation.
Design, conduct and organize professional conferences, seminars and workshops on psychotherapy, clinical hypnosis and therapeutic communication. 1988-present

Center for Health Enhancement/St. Joseph's Medical Center Towson, MD
Staff Hypnotherapist with one of Md's foremost complementary medicine programs. Designed and conducted an innovative hypnotherapy/acupuncture smoking cessation clinic. Gave numerous public talks, seminars and in-services. Our work was featured on several local news broadcasts.
1998-2003 (when the Center closed)

Baltimore Holistic Institute for Substance Abuse Baltimore, MD
Clinical Director of pioneering acupuncture detox center for addiction treatment.
Provided individual and group counseling, treatment planning, and education. Ran an acupuncture/hypnotherapy stop smoking program. 1995-1996 (funding lapsed)

Jewish Big Brother and Big Sister League Baltimore, MD
Program Director of the Jewish Alcohol and Drug Abuse Service, an outpatient treatment program.
Coordinator of Institutions program, providing prison visitation, holiday services, services and counseling for ex-offenders. 1988-1995

Project Yedid of the Jewish Community Center Baltimore, MD
Director of the Jewish community's cult awareness center. Provided outreach, counseling and consultation with young people and families, as well as extensive networking, public education and information and referral. 3/87-7/88

Zeitlin

Earlier Professional Work Experiences:

Psychotherapist for 2 counseling services serving rural small time clients in central Oregon. 1985-1986
Founded and directed an internationally known counseling center for families and individuals disrupted by involvement in cultic and other new religious or psychological movements. Based in Berkeley, California. 1980-1985

Psychiatric Social Worker for a combined disabilities unit, and halfway house Director. Syracuse, NY 1978-1979

Selected Conference Presentations, Workshops, Lectures, and In-Services

I have given numerous presentations on topics of therapy, clinical hypnosis, and social issues including Hypnotic Pain Control, Core Transformation, Peaceful Eating, Resolving Trauma, Fear of Flying, Smoking Cessation, the Enneagram, Hypnotic Healing, Psychological Issues in Back Pain, Treating Consciousness Casualties, Pre-marital Counseling, Cult Awareness, Social Influence, and Brain Gym movements, for national conferences such as The International Enneagram Association, Congresses on Ericksonian Approaches to Hypnosis and Psychotherapy, and the Institute for Advanced Clinical Training.

International trainings including teaching hypnosis in Japan; a 3-week lecture tour and workshop for the Jewish community of South Africa; and lectures in Israel.

Training faculty of the Center for Integrative Medicine of the University of Maryland, and Sheppard-Pratt.

In-services for numerous groups including the Worcester County Health Dept, Spring Grove Hospital, St. Joseph's Medical Centre, Prince Williams County Dept. of Mental Health, Dept. of Anaesthesiology of Johns Hopkins Hospital, Baltimore Recovery Center, and NASW-MD

My specialties have been profiled in Baltimore Magazine, the Baltimore Jewish Times, and by local, national, and international television news programs.
